

How to train skills for conversations about illness progression and end of life: RealTalk interactive workshops 2021

In association with Cardiff University, LOROS Hospice and the Derbyshire Alliance for End of Life Care

For UK-based* practitioners who train, teach and supervise people in skills for sensitive conversations, including about illness progression and end of life

- Learn how RealTalk resources increase training authenticity and effectiveness
- Learn new techniques to describe and explain communication skills
- Practice using RealTalk training resources and insights to give in-depth feedback to your trainees
- Learn how RealTalk can help you to prepare training more quickly and using a sound evidence base

Awarded 8 external CPD points by the RCP
